AN INTRODUCTION TO THE 2019 NATIONAL SHOW

Patches & Pointed are working towards the hosting of the NZCF National Show

It is no secret that YES! It is a One Ring Show – and how's that going to work!

We are aware that there are people who simply do not understand the concept of holding a one ring national – when they have entrenched ideas of the only way to stage a national is with multi rings. Our committee have given this a great deal of thought and it is our intention to give all cat fanciers an equal opportunity to exhibit at a national show.

## ONE RING CONCEPT:

It is all about the prestige of a win at a NZCF NATIONAL SHOW – this is not a new idea it is exactly what happened decades ago and your hosts really would like to see the prestige of the National return.

The opportunities to feature are as follows:

All Breeds International Judges will be allocated a section to judge

Entire Cats (Longhair/Shorthair)

Entire Kittens (Longhair/Shorthair)

Neuter/ Spay Cats (Longhair/Shorthair)

Neuter/Spay Kittens (Longhair/Shorthair)

In that section each judge will first judge **the Best of each Breed** and nominate a Best of Breed & Runner-up who will go forward to compete against the same breed (Later in the day) within the other sections – thereby leading to **Supreme of Breed & R/up Supreme of Breed** this will be done across all breeds of registered pedigree cats. This is a win in the Breed section

E.g. the best Siamese & Runner/up Siamese Kitten would go forward and compete with the best from the Cats/ Neuter-Spay Cats & N/S kittens

Followed by each judge choosing their best of each section  
i.e. TOP TEN Longhair

Then Top 10 Shorthair which will then be followed by a Top 15 All Breeds

Followed by the Judges nominations for Supreme Ring judging panel (all breeds judges including the NZCF Appointed Judge who would not have judged any of the cats prior to the supreme ring)

**National Title – Host Club** will be seeking approval for consideration of the adoption of a new title to be added to Supreme winners names e.g. National Supreme (NAT SUP)
